

ALCOHOL SHIPMENTS TO CONUS

Transportation Offices may authorize SMs and DACs the movement of alcoholic beverages either by personally procured transportation to include reimbursement or within their HHG shipment.

SMs and DACs have to provide the final destination state permit, paid invoice for the state taxes or a letter of exemption from the state Alcohol Beverage Control Board (ABC) at time of request. ABC Board documentation and information at <http://ttb.gov/wine/state-ABC.shtml> .

Personally procured transportation: The SM or DAC must personally arrange the shipment and is responsible for all costs and compliance with all laws associated with importation of the alcohol (Including, but not limited to taxes; duties; tariffs; customs fees). The SM or DAC will be reimbursed for transportation (only) up to the Government Constructed Cost (GCC) of shipping a like weight of HHG at the Code 4 rate. Any additional cost is at the owner's expense. Contact your origin Transportation Office to process the paperwork for reimbursement.
